SCAN Health Plan - H5425

For 2024, SCAN Health Plan - H5425 received the following Star Ratings from Medicare:

Overall Star Rating: ★★★★★☆

Health Services Rating: ★★★★★☆

Drug Services Rating: ★★★★★☆

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

The number of stars show how well a plan performs.

- ★★★★★ EXCELLENT
- ★★★★☆ ABOVE AVERAGE
- ★★★☆☆ AVERAGE
- ★★☆☆☆ BELOW AVERAGE

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit www.scanhealthplan.com or call 1-877-230-7226 to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- Effect on Current Coverage. Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare Plan, you will no longer receive benefits from that plan once your new coverage starts.
- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

By completing this enrollment application, I agree to the following:

SCAN Health Plan is a Medicare Advantage plan and has a contract with the Federal Government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15–December 7 of every year), or under certain special circumstances.

SCAN Health Plan serves a specific service area. If I move out of the area that SCAN Health Plan serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of SCAN, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from SCAN when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date SCAN coverage begins, I must get all of my health care from SCAN, except for emergency or urgently needed services or out-of-area dialysis services. Services authorized by SCAN and other services contained in my SCAN Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR SCAN WILL PAY FOR THE SERVICES.**
